Ph. (707) 938-2633 / Fax. (707) 935-9681

www.schellvistafire.org / e-mail: info@schellvistafire.org

- 1. The new firefighter academy started Monday and will continue for the next two weeks. Upon completion of the academy, they will begin their year of rotation with each Captain until the year is complete and then they will go to their assigned shift.
- 2. The new engine has arrived at Golden State Fire Apparatus in Sacramento and is being scheduled for inspection sometime this month. Captain Bragg and I went up and did an inspection on Monday and gave them a list of things that need to be taken care of. The bad news is there are about thirty other units ahead of us, so we may not see our engine for Thirty Days.
- 3. The Board needs to approve the agreement for measure "H" that was approved by our attorney on behalf of all Departments.
- 4. Mike sent out an" Out of County" cost and reimbursement schedule to address some of the concerns about Career Overtime. If this wasn't addressed at the budget discussions we can discuss during my report.
- 5. We are getting a price to replace the water heater in the downstairs unit of the firefighter residence.
- 6. We should set up a meeting with the group that worked on the Strategic plan and review the progress that has been made and what we should be looking at as the next important step. I have some ideas that are not on the current plan.
- 7. Report on the Sonoma County Fire Chiefs' meeting.
 - -Discussion regarding Measure H
 - -Lexipol will be paid for by Measure H funds
 - -The Chief association fees are now \$250 across the board.

6. COMMITTEE REPORTS/BUSINESS (Directors to report on Committee activities)

- a. Reports-Discussions & Possible Actions
 - 1. Facilities Committee (Neves)

Captain Garner reported that the out-bay door spring broke, and they are waiting for parts. They will replace all 4 bay door springs as preventative measures.

He also reported that with the rain and flooding, there were no water problems at the station.

2. Budget Committee (Kruljac)

Director Kruljac reviewed revisions of the chart of accounts for added detail of budget expenses. A revised budget will be presented in an upcoming meeting for Board review.

3. Legislative Committee (Finn)

Director Finn had nothing new to report.

Schell-Vista Fire Protection District Policy Manual

Workplace Violence

1026.1 PURPOSE AND SCOPE

The purpose of this policy is to make clear that the District does not tolerate any direct or implied threats of violence or violent behavior in the workplace or any act or behavior that is or can be perceived as threatening, hostile, and/or violent (Labor Code § 6401.9).

This policy supplements the Workplace Violence Plan implemented by the Health and Safety Officer pursuant to the Illness and Injury Prevention Program Policy.

1026.2 POLICY

It is the policy of the Schell-Vista Fire Protection District to provide and maintain a safe work environment for its employees, volunteers, and members of the public.

In responding to any violent behavior in the workplace, the District is committed to providing protection to all involved parties, including protection from future physical and/or mental harm and the protection of the legal rights of victims, witnesses, and those instigating the harm.

1026.3 PROHIBITED BEHAVIOR

No member shall engage in, encourage, or promote violent behavior toward any person while conducting district business or on district property.

No member engaged in district business shall carry or possess weapons or explosives unless either:

- (a) Permitted by district policy
- (b) State or local law prohibits the District from restricting the possession of the weapon or explosive

1026.4 REPORTING AND INVESTIGATING

1026.4.2 SUPERVISOR, MANAGER, CAPTAIN, AND DIVISION COMMANDER RESPONSIBILITIES

Upon receipt of a report of potential or actual workplace violence, supervisors shall gather as much information as possible to assess and determine the severity and potential of the situation. If the report is found to be credible, the next immediate supervisor shall be notified as soon as practicable and appropriate action taken.

Local law enforcement personnel shall be notified immediately of all threatening or violent behavior.

1026.4.3 INVESTIGATION

The Administration Division will promptly, impartially, and with as much confidentiality as practicable coordinate the investigation of all reports of violent behavior.

Schell-Vista Fire Protection District Policy Manual

Workplace Violence

District members are required to cooperate in any investigation. A timely resolution of each report should be reached and communicated to all parties involved as quickly as possible.

1026.4.4 REPORTING NON-WORK-RELATED THREATENING OR VIOLENT BEHAVIOR District members who are victims of domestic violence or other threatening behavior outside of the workplace or who believe they are potential victims of such behavior and fear it may enter the workplace, are encouraged to report the situation as soon as possible to their supervisors.

Supervisors receiving any such report shall contact the Administration Division as soon as practicable so that any appropriate safety measures or plans may be developed.

1026.5 RETALIATION PROHIBITED

Any form of retaliation against a member for making a report concerning violent behavior in the workplace is prohibited.

Any member who becomes aware of any retaliation or threatened retaliation shall immediately notify their supervisor.

1026.6 RESTRAINING ORDERS

Members who obtain a restraining order listing their workplace, person, or the District as a protected area must provide a copy of the restraining order to their immediate supervisor or the FIRE CHIEF. The District needs this information in order to provide a safe workplace.

1026.7 FOLLOW-UP ACTION

Any employee reported to have exhibited violent or potentially violent behavior will be afforded all rights provided by law, the applicable memorandum of understanding, and/or the Firefighter Bill of Rights provisions before the District takes any disciplinary action.

Actions that may be taken when an employee has been found to have violated this policy include but are not limited to the following:

- Mandatory participation in counseling
- Placing the employee on paid administrative leave pending investigation into an alleged threat or act
- Corrective/disciplinary action up to and including termination
- Criminal arrest and prosecution
- Special procedures, such as job relocation or initiation of a court order

If, upon investigation, it is determined that an allegation is false or was made maliciously, the employee who provided the false information will be subject to disciplinary action, up to and including termination, as well as possible criminal arrest and prosecution.

Schell-Vista Fire Protection District Policy Manual

1026.8 LEGAL ACTION

The Administration Division, in consultation with the district's legal counsel, will determine if the District will seek a temporary restraining order or injunction to reduce future or threatened violent behavior or harassment in the workplace (Code of Civil Procedure § 527.8).

1026.9 CORRECTIVE ACTIONS

At the completion of the investigation and a review of the incident, or in the case of a threat of violence, non-disciplinary corrective actions should be implemented or requested to ensure overall workplace safety. These actions may include but are not limited to:

- Placing the involved member on administrative leave pending further review and determination of permanent action. Administrative leave would be unpaid in the case of a volunteer.
- Reassigning the member to a different work location.
- Referring the member to conflict resolution training sessions.
- Referring the member to the Employee Assistance Program (EAP).
- Modifying workstation designs and office traffic flow patterns.
- Requiring the member to attend a fitness-for-duty evaluation.
- Developing specific workplace violence procedures for incident response, prevention, and corrective actions.

1026.10 WORKPLACE VIOLENCE PREVENTION

All district members are responsible for assisting in the prevention of violence in the workplace.

The District shall provide initial and annual training to members regarding this policy and the district Workplace Violence Prevention Plan (Labor Code § 6401.9).

In the event a violent incident occurs in the workplace, the Fire Chief is responsible for ensuring that all responsibilities have been met and actions carried out, as detailed in this policy and the district Workplace Violence Prevention Plan. The Fire Chief shall review the results of any investigation and ensure appropriate action is taken. Information gathered during an investigation should be used for the continuous improvement of policies and procedures to prevent workplace violence (Labor Code § 6401.9).

1026.11 VIOLENT INCIDENT LOG

All workplace violence incidents shall be documented in a violent incident log as provided in Labor Code § 6401.9 and the [department_agency] Workplace Violence Prevention Plan. The log shall be retained for a minimum of five years and as required by the district records retention schedule (Labor Code § 6401.9).

Subject: Employment Agreement with Interim **Fire Chief**

This memorandum shall memorialize the part time employment agreement between the Schell-Vista Fire Protection District (employer) and the part time Interim Fire Chief Ray Mulas (employee). The Schell-Vista Fire Protection District Board of Directors approved the new part time Fire Chief position on September 01, 2024. The following will serve as an employment agreement between the employer and employee:

Hours worked:

The part time Interim Fire Chief shall work no more than 832 hours in any fiscal year beginning September 01, 2024. This total is estimated at 16 hours worked per week for fifty-two weeks in a fiscal year. Weekly hours may vary but the annual total hours worked shall not exceed 832 in any fiscal year. These are maximum compensable hours; the employee may work less depending on department need. The part time Interim Fire Chief acknowledges that, his Fire District pay is not reportable to CalPERS as this is a stipend position.

Compensation:

The part time Interim Fire Chief shall be compensated at a stipend rate of \$5200.00 per month. Health benefits are offered to this position however if declined there is a "Cash-In-Leu" option of \$500.00 per month. State and Federal employee costs, including the employer contribution to Social Security and Medicare, shall be provided by the district. All mandatory employee contributions shall be deducted by the district's payroll division and submitted by the district for the employee.

At Will Job Status

The parties recognize and affirm that: 1) Employee is an "at will" employee whose employment may terminated by the district without cause, and 2) there is no express or implied promise made to employee for any form of continued employment.

Job outline:

Attached to this memorandum is the job description for part time Interim Fire Chief.

Exemption:

In accordance with the 2004 Fair Labor Standards Act (hereafter FLSA) section 200, "Exempt and Non-Covered Employees (Effective August 23, 2004)" the position of part time Interim Fire Chief is considered exempt. The Fire Chief will have the overall authority to recommend and process policy regarding department administration categories. The Fire Chief will have the overall authority to recommend the hiring, firing and promoting of employees along with other staff as directed by the Board of Directors. The part time Interim Fire Chief will not normally work enough hours in any week to trigger FLSA criteria, however due to the nature of the management position Interim Fire Chief" and the duties assigned shall exempt the employee from FLSA criteria as outlined by FLSA.

SCHELL-VISTA FIRE PROTECTION DISTRICT

PART TIME INTERIM ASSISTANT FIRE CHIEF POSITION

DEFINITION

The fundamental reason for the existence of this classification is to perform responsible management, technical and administrative work in commanding, developing, directing and supervising all Divisions of the Fire Department; and to provide highly responsible and technical staff assistance to the Board of Directors. This position is "Interim" in nature and will exist until such time that the Board of Directors decides to fill a permanent Fire Chief position.

DISTINGUISHING CHARACTERISTICS

The Interim Assistant Fire Chief is a position in a management level classification in both the Fire Suppression and Administrative Divisions of the Fire Department. Under general direction from the Board of Directors, the Fire Chief exercises considerable independent judgment in directing and supervising fire suppression activities in the Fire Department in coordination with other Chief staff as directed by the Board of Directors.

SUPERVISION RECEIVED AND EXERCISED

General direction is provided by the board of directors; responsibilities include the direct and indirect supervision of Battalion Chiefs and other subordinate Fire Department personnel including all paid and volunteer employees.

EXAMPLES OF DUTIES

Essential Duties:

The following duties are considered essential for this job classification:

Coordinate with outside management contractors, assist in the planning, development and implementation of policies, goals, objectives and priorities; participate in planning, directing and coordinating departmental personnel and general administrative activities; coordinate the activities of suppression platoons; respond to major alarm fires and personally direct fire suppression activities; prepare memoranda, directives and a variety of technical and departmental reports and records; assist in budget preparation and administration; respond to difficult complaints and requests for information; represent the District in relationships with the public, community groups, professional organizations, other Districts within Sonoma County and other neighboring counties, coordinate Fire

Department activities with other District departments and divisions; select, supervise, train and evaluate staff; serve as Duty Chief as needed.

Upon assignment as Duty Chief: Direct and supervise forces in the control of emergency incidents; make technical decisions as to the best methods of extinguishing fires after observing the fire and receiving oral reports from the Incident Commander; ascertain the need for and type of additional equipment necessary to counteract the emergency; and coordinate fire suppression resources at mutual aid responses.

Additional Duties:

In addition to the duties listed in the Essential Duties section, the incumbent in this classification may perform the following duties. This classification may not be assigned all duties listed, nor do the examples cover all duties which may be assigned:

Supervise and coordinate the maintenance of personnel records; coordinate building and facility expansion activities; prepare equipment and apparatus specifications and perform related duties as assigned.

QUALIFICATIONS

Knowledge of: Principles and practices of organization, administration, training, safety, budget and personnel management; modern firefighting and rescue principles, practices, techniques and procedures, including the operation and maintenance requirements of the various types of fire apparatus and equipment; mechanical, chemical and related characteristics of a wide variety of flammable and explosive materials and objects; fire prevention principles, practices and procedures; Federal, State and local laws and regulations pertaining to fire suppression.

<u>Ability to</u>: Make effective use of personnel, equipment and apparatus in emergency and non-emergency situations; provide effective instruction to subordinates; communicate orally clearly and concisely; produce written documents with clearly organized thoughts using proper sentence construction, grammar, punctuation and spelling; comprehend and make inferences from written material; enter data or information into a terminal, personal computer or keyboard device; supervise, train, evaluate and discipline subordinate personnel; establish and maintain cooperative working relationships with those contacted in the course of work.

<u>Experience and Education</u>: Any combination equivalent to experience and education that could likely provide the required knowledge and abilities would be qualifying. A typical way to obtain the knowledge and abilities would be <u>Experience</u> - Sufficient years of increasingly responsible municipal fire suppression, supervisory, management and administrative experience at the level of Battalion Chief or above in the Schell-Vista Fire Protection District to demonstrate possession of the knowledge and abilities listed above.

<u>Education</u> – "Desirable" but not 'Required" -Equivalent to a bachelor's degree from an accredited college or university with major work in fire science, fire administration, public or business administration or a related field.

LICENSE OR CERTIFICATE

This classification requires the use of a District vehicle while conducting District business. To drive, individuals must be physically capable of operating the vehicle in a safe manner, including during emergency operation and response, and must possess and maintain throughout the course of employment a valid California Class C motor vehicle operator's license.

WORKING CONDITIONS

When participating in meetings or performing work in the office, the incumbent in this classification sits for extended periods of time with the ability to change positions at will, communicates orally in a group setting, and learns job-related material through oral instruction and observation. The incumbent must also learn job-related material through structured lecture and reading to stay abreast of current developments in the field. When reviewing or monitoring safety and accident reports, the incumbent observes, compares or monitors data to determine compliance with prescribed operating or safety standards. When inputting statistics, the incumbent operates a variety of standard office equipment requiring continuous or repetitive arm-hand movements.

When personally directing fire suppression activities, the incumbent discriminates among or matches colors in regard to smoke or hazardous material placards, observes or monitors objects and people's behavior to determine compliance with prescribed operating or safety standards, hears alarms and other auditory warning devices, works in a variety of weather conditions with exposure to the elements and tolerates very hot and very cold temperatures.

When participating in actual fire suppression activities, in addition to the above, the incumbent uses explosive strength, as in sprinting or jumping; lifts arms above shoulder level; works at heights greater than 10 feet; moves hoses and ladders weighing up to 90 pounds both short and long distances; climbs steps and ladders to reach objects; wears a self-contained breathing apparatus; coordinates the movement of more than one limb simultaneously; and walks over rough, uneven or rocky surfaces at grass and brush fires.
